We have no information as to the cause of the blaze, but what we can infer from the photos supplied by our source is that the church has been destroyed.

*** UPDATE 1 May 23 2018 @ 10:26 pm: A couple REAL Concerned Longlac Citizens have informed us that the fire was most likely started by a group of 4 kids, in the age range of 10 to 12 years old.

We will update you with updates as soon as it becomes available.
